IMPORTANT INFORMATION FOR NEW PATIENTS

Our philosophy is to provide exceptional health services in a timely manner and within a friendly caring environment.

Below is a list to help you understand our Practice Policies:

- Fees and Billing arrangements: We are a private billing practice and fees are payable at the time of consultation. We accept cash, cheque, EFTPOS, MasterCard, Visa and American Express.
- GP's at the practice bulk bill children **12 and under** and Veterans Affairs patients. All other fees including those for pensioners and Health Care card holders are charged at the discretion of the doctors.
- Cancellation Policy: Whilst we understand there are sometimes extenuating circumstances, where possible please ensure you give us at least 2 hours notice if you need to cancel your appointment. This enables other patients to attend for an appointment. Failure to attend your appointment or to give adequate notification of cancellation may incur a fee of \$50. This fee is charged at the discretion of the doctor.
- **Prescriptions:** You can request a script over the phone if you have seen your GP in the last 3 months, however only 1 months supply will be given. This is in line with Best Practice Medicine and is recommended to reduce litigation risk by Medical Defence. This will be written at the discretion of your doctor. A fee of \$11 may be charged.
- **Results and Recalls:** Generally if you need a follow up appointment for results you will receive an SMS or a recall letter if it is a non urgent result. Our nurses will contact you if it is an urgent recall.
- **Referrals:** Please note that it is illegal for doctors to back date a referral. You need to ensure your referral is up to date before you see your specialist or you will not be eligible for a rebate from Medicare.

For further information please see our brochure or ask one of our friendly staff.
